

## *Pedestal Leg Assembly Instructions*

### Part List:

- A: Round Base
- B: Spider Plate
- C: Column with Flange Nut and Bolt
- D : 1/4" Nylon Adjustment Glides (x5)

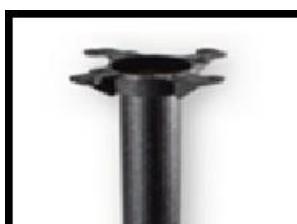

### Instructions:

- Step 1: Thread the adjustable glides (D) into the round base (A) and set aside.
- Step 2: Connect the spider plate (B) onto the column (C) and fasten securely by tightening the bolt as shown below.
- Step 3: Remove the flange nut and position the round base (A) onto the column (C) and fasten securely by tightening the flange nut as shown below.
- Step 4: Make sure everything is aligned correctly and flip over the unit.
